New for 2010

Create a stunning atmosphere in your garden with our beautiful torches. Torches create ambiance. Quality torches and oil lamps are made to last using the finest materials and craftsmanship.

Big Wave Torch

New and improved for 2010: Now with the patented unique NO-TOUCH refilling system which allows you to refill directly due to a built-in funnel system. No dirty hands refilling the torch. Sensational “bonfire”-flame with advanced burning control.

Small Wave

Long-lasting Aluminum torch. Height 55” Available in steel- and copper-like finishes.

Reno Torches in nickel coated hammered brass finish.

Princeton & Reno Torches

Now available in two new finishes: nickel coated hammered brass and gold colored brass. Also available in copper and patina finish. Torches come with your choice of a black or silver aluminum pole or a hard wood pole.
